

Pass the Present

with Oxfam Ireland

Dear _____

Please join me for my birthday party

Date: _____ Time: _____

Address: _____

Last year I had a great birthday. I received so many presents that I barely had time to play with them all!

So this year, I would like to try to help some less well-off children in Africa because girls and boys there don't have enough food or medicines sometimes.

This year, I would like you to make a donation to Oxfam Ireland instead of buying me a present.

You might prefer to get me a normal present – that's up to you! But if you do choose to make a donation instead, Oxfam Ireland will send me a fantastic 'Puzzle Pack', which contains loads of fun things to do, including activity sheets and a certificate of thanks.

I will be very happy knowing that we have helped some little girls and boys in Africa.

Please find attached the donation form which you can send back to Oxfam and they will then send me my fun pack!

Thanks for taking time to read this letter and I look forward to seeing you at my birthday!

Lots of love,

Name: _____
