

HOW TO

SEND PRE-LOVED *Printable*

- STEP 1:** *Download the file*
Download the file onto your computer by clicking the download button when you've opened the PDF
- STEP 2:** *Connect a printer*
Connect to a printer on the device you're trying to print on, make sure it prints decent quality and in colour
- STEP 3:** *Choose your paper*
Make sure you have the right kind of paper, some form of card is ideal and will give you a better result
- STEP 4:** *Change printer settings*
Change your printer settings to match the type of paper that you are using and also ensure you're only printing page 2 and 3 and not this instructions page

Print back-to-back with the flip set as flip along the long edge
- STEP 4:** *Print the design*
Print as many copies of the printable as you want, each page has two postcards on it.
- STEP 5:** *Cut the postcard*
Cut the postcard along the cutline on the front side
- STEP 6:** *Write & Send*
Write in why you're choosing pre-loved this year and wrap with your gift or stick in a parcel for your loved ones!

WHY I'M GIFTING PRE-LOVED

*This year, we're asking people
to think differently - to
choose gifts that already
exist, that tell a story, and
that help others*

Don't forget to include a real stamp if posting!
